Terms and Conditions

The Dental Care Advantage program provides members access to a network of participating healthcare providers that have agreed to make certain health care services available to members at a pre-negotiated discount. The healthcare services available vary depending on the program you have selected. It may include discounted dental, orthodontic (braces), vision, chiropractic, hearing, or prescription drug services in accordance with a specific pre-negotiated discounted fee schedule. The programs do not discount all procedures. The programs do not provide discounts on other medical or hospital services.

The discounted services are offered by independent providers who are not employees or agents of American Dental Professional Services (ADPS). ADPS does not guarantee the continued participation of any provider in a program and provider fees are subject to change without direct notice. The discount programs may not be used in conjunction with any other plan or program. Please verify your payment responsibility prior to receiving services.

Enrollment Applications received by the 15th of the month will be made effective the 1st of the following month, unless specifically requested by the member to be effective sooner. Annual payers will be effective for 12 months after their initial effective date. An invoice for renewal will be sent to annual payers approximately 45 days before the end of this period. If a renewal payment is not received by the annual termination date, the membership will be cancelled. Monthly payers will be effective as long as the member continues to pay (via credit card or EFT transactions processed by ADPS) the monthly fee for the discount program. Monthly payers must notify ADPS by phone or in writing when they wish to cancel their membership. Membership will be terminated effective the last day of the month that ADPS receives notification.

Membership can be cancelled at any time. Requests to cancel can be made via phone, fax, e-mail or regular mail. If the member cancels the membership within the first thirty (30) days after receipt of the discount card and other membership materials, the member shall receive a reimbursement of all fees paid for the program. If the member cancels the membership after a period of thirty (30) days, the reimbursement of membership fees will be prorated. ADPS reserves the right to terminate a program member from any of the discount programs for any reason including non-payment. In this event program fees will be prorated and refunded in the same manner as noted above.

To find a participating provider for dental or chiropractic services, visit our Web site at www.amdps.com or contact our Customer Service Department at 1-888-540-9488. When scheduling an appointment with a provider, be sure to reference the correct network and logo listed on your ID card. Present your ID card each time you receive services. Each family member can choose their own contracted health care provider. The program allows conditions existing prior to enrollment to be discounted if the treatment needed is listed in the fee schedule. However, procedures already started prior to the effective date of membership, are not eligible for a discount. You must continue to be a member of the program throughout your entire treatment, including orthodontic care, to be eligible for continued discounted services.
